NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2014-0247]

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of pending NRC action to submit an information collection request to the Office of Management and Budget (OMB) and solicitation of public comment.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) invites public comment about our intention to request the OMB's approval for renewal of an existing information collection that is summarized below. We are required to publish this notice in the *Federal Register* under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* 10 CFR Part 31, General Domestic Licenses for Byproduct Material.
2. *Current OMB approval number:* 3150-0016.
3. *How often the collection is required:* Reports are submitted as events occur. General license registration requests may be submitted at any time. Changes to the information on the registration may be submitted as they occur.

4. *Who is required or asked to report:* Persons receiving, possessing, using, or transferring devices containing byproduct material.
5. *The number of annual respondents:* 10,929 (971 NRC respondents, 9,958 Agreement State respondents).
6. *The number of hours needed annually to complete the requirement or request:* 36,186 hours (4,843 hours for NRC licensees + 31,343 hours for Agreement State licensees).
7. *Abstract:* Part 31 of Title 10 of the *Code of Federal Regulations* (10 CFR), establishes general licenses for the possession and use of byproduct material in certain devices. General licensees are required to keep testing records and submit event reports identified in Part 31, which assist the NRC in determining with reasonable assurance that devices are operated safely and without radiological hazard to users or the public.

Submit, by (**INSERT DATE 60 DAYS AFTER PUBLICATION IN THE *FEDERAL REGISTER***), comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the burden estimate accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

The public may examine and have copied for a fee publicly-available documents, including the draft supporting statement, at the NRC's Public Document Room, Room O-1F21, One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852.
